

Viking Knife: Tool Steel - Create Blades and Sharpen

Provider: Calypso Farm & Ecology Center

Length: 6 Hours

Website

<http://www.calypsofarm.org>

Places: Ester

This is a two part series, 3 hours each. The Viking Knife is a one-piece knife; the knife blade is drawn out to a tang that forms the handle. The techniques you learn can be applied to make bigger knives so this is a great introduction to turning tool steel into blades.
